## 2010/2011 Annual Donor Program

When the Pinewood Players opened the playhouse, we introduced the Annual Donor Program for capital improvements. Our members have been very generous to this program and have been a substantial part of our fund raising needs.

We encourage all of you to participate. The program has been very successful and has benefited the organization in many ways. Here are a few examples of the ways in which grants and annual donations have or will be used:

- Maintenance and painting of the theater
- Addition of light and sound equipment
- Improvement of outside lighting
- Improvement to the makeup/dressing rooms
- Acquisition of other theater equipment
- Air Conditioning (2006)
- Construction of men's dressing room (2007)
- Front patio cover (2008)
- Front patio pavers (2010)
- New storage shed next to Country Club cart barn (2010)
- Refinish of stage floor to remove expansion joints (2010)
- **Projected improvements:**

  - Painting outside of theater (completed October, 2010)
  - Long term improvements: Repair or replace theater seats.

There are many opportunities to enhance the enjoyment, convenience and safety of our audiences and we welcome your suggestions.
